Payment - Select how you wish to pay for this order

This is where you choose how you would like to pay for your order.

Electronic Funds Transfer

When paying by EFT you must have an active EFT account. You must complete the EFT Application form, sign it, and fax or email it to us ensuring to affix a void cheque of an account for which you personally have signing authority. The bank account should always be in the name of the actual FundScrip user.

Credit Card

When paying by credit card (VISA & MasterCard only) earnings are reduced by 1.99%. (For example, posted earnings of 3% will be reduced to 1.01%.) To maximize your earnings, choose EFT or Online Bill Payment as your payment method.

- EFT is our most popular payment method! (more than 85% of FundScrip Supporters pay this way) Why? It's free – maximizes earnings with no processing fees!
- It's easier – streamlines ordering because once active you'll never need to enter payment information again!
- It's faster – receive your orders sooner than with Online Bill Payment. Your account is automatically debited at the time your order is processed.
- It's convenient – allows you to create recurring payments, set it, and forget it!

Online Bill Payment

When paying by Online Bill Payment you must add "Fundstream/FundScrip" as a payee in your online banking portal. To do so, you will need an Online Bill Payment Number, which you will receive after placing an order.

Note that earnings are not reduced when using Online Bill Payment – it's free! However, orders paid for using Online Bill Payment are subject to a delay not applicable to our other payment methods because you must allow at least three (3) business days from the date you initiate the payment for FundScrip to receive the funds. If the amount received does not correspond exactly to the amount owing (including any shipping fees, in the case of Direct Shipping orders), processing of your order will be delayed; and you will need to contact us to resolve the issue.

Choose your payment method depending on your level of comfort with EFT or Online Bill Payment.

Please avoid Credit Card payment as it reduces our earnings for EACH gift card by 1.99%.
