#### Sponsorship Package

Trees provide us with great benefits: clean air, wildlife habitat, energy demand reduction and connection with nature. In supporting the mission of Canada's National Tree Day, 105 Gibson Centre is organizing a "Tree Planting Family Day Fundraising Event" on Saturday June 8, 2019. Tree planting is one of the easiest ways to impact the environment and we would like to offer your organization the opportunity to join and support this meaningful event.

#### What are the Benefits of tree planting?

- Reducing climate change - remove carbon dioxide and produce oxygen
- Purifying air – absorb pollutant gases
- Cooling down the streets – provide shade and release moisture
- Natural air conditioning – reduce carbon dioxide and emissions from power plants
- Saving Water – water evaporates slowly from low vegetation
- Preventing water pollution – prevent storm water from polluting oceans
- Natural habitat for wildlife - provide shelter and food source
- Renewable energy source – an excellent eco-friendly fuel
- Reinforcing soil – reduce soil erosion, increase fertility and help soil obtain moisture
- Erosion control – tree roots hold the soil together and protect it from the effects of wind

Planting trees is one of the easiest ways to benefit and impact the environment. It gives us an opportunity to restore and preserve the environment by letting us leave positive footprints for generations to come. Your organization can have a meaningful part in this.

#### About 105 Gibson Centre

**Mission Statement:** To serve the locals and those in need, and to share with them the compassion and hope of Jesus.

105 Gibson Centre is a Christian faith-based community centre, devoted to bringing positive changes to the surrounding neighborhood through a wide range of social services. The six core ministries – Youth Services, Abundant Life Institute, Community Classroom, Community Needs, Cultural Café, and Sports Ministry – drive the major programs being offered at our 47,000 square-foot facility. The Centre, started operation in October 2013, is dedicated to serving all members of the community regardless of their ethnicity, religion, gender and background because it is the compassion and hope of Jesus that we want to share. The Centre also serves as a platform for local organizations to come on board and provide programs and services that meet more specific needs.
